

## Incorrect Information in Tribune

Feb 20, 2013

The article in today's Daily Tribune which stated that there will be two people on the ballot for one supervisor position in April is incorrect. We have two supervisor positions up for election in April and will have 4 names on the ballot. The three receiving the top votes in yesterday's election were Arne Nystrom--285, Patty Lumby--210 and Daniel Paulsen--197. Due to 14 outstanding absentee ballots at this time (absentee ballots postmarked by Tuesday, February 19, 2013 can be counted if recieved by mail by Friday, February 22, 2013) the fourth person has not been determined. Tuesday's Vote count of the others are: Jeff Tyberg--112, Write-in Jason Wardour-- 110, Jim Scott--109 and Erv Meyer--103.
