

OUTDOOR BURNING

The Town of Grand Rapids has banned the burning of leaves, pine needles, and grass clippings since June 1995. Please note that this does allow the burning of brush.

FIRES MUST BE ATTENDED AT ALL TIMES!

Burning permits are required within any part of the Town, anytime there is not 1” of complete ground cover of snow.

Permits can be obtained at the Grand Rapids Municipal Building (2410 48th Street South) and The Store in Kellner (4010 80th Street South).

Camp or cooking fires do not require a burning permit.
