

## YARD WASTE

Season long, annual permits for the disposal of yard waste at the City of Wisconsin Rapids Compost Sites are available at the Municipal Building (2410 48<sup>th</sup> Street South) and at The Store in Kellner (4010 80<sup>th</sup> Street South). Yard waste from Town

residents who have purchased an annual pass will be accepted at both City Compost site locations, but Town residents are asked to utilize the East Side location.

Yard waste shall include grass clippings, leaves, pine needles, garden waste, and brush less than 2" diameter.

Town residents could also contact Wolosek Landscaping (423-3909) for acceptance of individual loads of yard waste. They charge per load.
