

Storm Clean UP

Aug 07, 2013

The Town of Grand Rapids will open a brush drop off site thru August 14th at the Grand Rapids Municipal Garage located on 2811 Two Mile Ave for debris from the August 6th storm. If you have purchased a Wisconsin Rapids compost pass, residents are encouraged to use their sites for drop off. Other options available are McDonald Trucking and Wood Recycling located at 2820 Plover Road, or Wolosek Landscaping located at 3531 Plover Road. A small fee will be charged at these two locations.
