

Choose-To-Re Use
May 12, 2012

The Town of Grand Rapids "Choose to Re Use" event will be held on May 12, 2012 at the Town of Grand Rapids' Town Garage, 2811 Town Mile Ave from 8 a.m. to 1 p.m..

Choose to Re Use is an event in which town residents bring items in good working condition that they want to discard but that perhaps someone else can use (e.g. outdoor furniture, small working appliances, lawn care items, household goods, bicycles, seasonal decoration, knick-knacks, office equipment, books, CDs/DVDs/VHS tapes/Records, clothes, etc. Then you may take any item that you can use. You don't have to bring items in order to take items away.

Photo or descriptions of large items (sofa, chairs, etc.) along with contact information will be posted at the Town Garage. Items that have fees associated (e.g. refrigerators, microwaves, etc.) must be signed for and will be charged if no one chooses that item by the end of the day.

The objective of "Choose to Re Use" is also simple: Reduce the amount of solid waste that fills our landfills. Remember "One person's trash is another's treasure".

Come and join the fun, clean up your homes and gain other "treasures" free of charge.

Residents that would be available to help with the event should contact Town of Grand Rapids Supervisor Bill Clendenning for information.
