GARBAGE AND RECYCLING INFORMATION

The Town of Grand Rapids contracts with Advanced Disposal for the roadside pickup of our garbage and recycling items. Our contract provides "curbside collection service for the collection of **not more than (4) 30 gallon bags or cans of residential waste** from residential units one time per week", and must be placed curbside the night before, or prior to 5 a.m. on the scheduled collection day. Advanced Disposal is not required to pick up residential waste in excess of this amount. An excess of this allowed amount may result in some of your garbage not being picked up by Advanced Disposal. The resident is responsible for properly disposing of the excess amount.

Recycling items contracted to be picked up include: Consumer commingled materials such as aluminum cans, container glass, corrugated cardboard, mixed papers, newspapers, tin cans and most #1 through #7 plastic items and aseptic containers.

UPDATED RECYCLING ITEMS ACCEPTED IN ADDITION TO #1 AND #2s:

#3 THROUGH #7 PLASTICS:

- Food & beverage containers, cat litter containers, ice cream pails, 5-gallon pails, medicine/pill containers, bakery containers, flower pots or trays, yogurt or cottage cheese containers, cups & tubs, clear and rigid clam shell packaging.

ASEPTIC CONTAINERS:

- Cartons or boxes used for juice, milk, soy milk, ice cream and broths.

PLASTIC ITEMS NOT ACCEPTED:

- #1 Brown plastic bottles
- #6 polystyrene foam ("Styrofoam"): Egg cartons, hot beverage cups, plates, formed packing pieces, packing peanuts
- Motor oil containers
- Plastic film, shrink wrap and bags (all #'s)
- CD cases
- Vinyl items such as windows, siding, etc.

E-CYCLE

In October 2009 a law was put into place banning certain electronics from Wisconsin landfills and incinerators after September 1, 2010. With this law in place the manufacturers will be responsible for the cost of recycling the electronics. Businesses that collect the discarded electronics are still allowed to charge a handling fee for collecting the items and transporting them to recyclers. As of September 1, 2010 the following electronics are not allowed in landfills and will not be picked up by our contracted garbage and recycling hauler:

Desktop Computers	Printers	Televisions	Cellular Phones (no batteries)
Computer Monitors	Fax machines	DVD players	Gaming and Stereo Systems
Laptops/Tablets/E-readers	VCR's & DVR's	Copiers	Mouse Devices & Keyboards

Please help to conserve valuable resources and prevent pollution. **RECYCLE YOUR ELECTRONICS!!**

For more information and to find a registered recycler check out the DNR website at:

<http://dnr.wi.gov/topic/ecycle/electronics.html>

Advanced Disposal Services Holiday Schedule

There will be no pickup on the following Holidays:

Christmas Day	New Year's Day	Memorial Day
Independence Day	Labor Day	Thanksgiving Day

Routes will be pushed back one day following a Holiday. For example, if Christmas Day is Tuesday and your normal service day is Wednesday, you will be serviced on Thursday that week. Customers who are normally serviced on Friday of that week will be serviced on Saturday.

CHRISTMAS TREE PICKUP

The Town will provide pickup of Christmas trees during the second and third full weeks of January (January 7-18, 2019). Remove bags from trees. Trees with bags, wreaths, lights and garland will not be picked up. Trees should be on top of the snow bank at the edge of the road.

Trees may also be dropped off at the Town Garage, 2811 Two Mile Avenue, or at the Municipal Building, 2410 48th Street South, in the designated drop off areas. All bags, wreaths, lights and garland must be removed from these trees also.

PILING OR PUSHING SNOW ONTO OR ACROSS ROADWAYS

It is illegal for any person or business to allow the piling or pushing of snow or other materials from their private drives or parking areas **onto or across any public roadway, thoroughfare or bridge**. This is prohibited by WI State Stat. §346.94 (5) as well as the Town's Ordinance No. 4 and carries a fine of \$10-\$100 per incident. Besides being illegal, it can also create a hazard for vehicles traveling the roadways or cause damage to vehicles and snowplowing equipment. This includes snow blowing, especially at the end of driveways. Be aware of oncoming traffic to avoid creating a hazard.

REMINDERS FROM YOUR POLICE DEPARTMENT

BE A CRIME STOPPER: If you have information regarding a crime and would like to remain anonymous, plus be eligible for a reward up to \$1,000, you can contact Wood County Crime Stoppers in one of four anonymous methods:

1. Text a tip: WCCS to 274637 starting with the keyword WCCS.
2. Call 877-325-STOP (7867)
3. Go to www.woodcountycrimestoppers.com and leave a web tip.
4. Go to www.facebook.com/WoodCountyCrimeStoppers

2019 DOG LICENSES: If you are a dog owner, a reminder to make sure you pay the annual license fee to obtain a license and collar tag for "man's best friend". Per Town Ordinance #8, this shall be done "at the time and in the manner provided by law for payment of personal property taxes". This also applies to dog exemption permits, those households with more than two dogs. Make sure your dog's rabies vaccination is current prior to coming in and paying the annual license fee.

SNOWMOBILERS, do you know?

*The earliest snowmobile trails can open is December 15th and close on March 31st.

*The snowmobile trails do not open until the local clubs confirm that the trails are in proper and safe riding condition. Then the Wood County Parks and Forestry Department gives official notice to open the trails. You can always check these websites:

<https://www.co.wood.wi.us/Departments/Parks/Snowmobiling.aspx>; <http://kellnerknights.org/>;
<https://www.facebook.com/KellnerKnights/> for more details.

*In the Town of Grand Rapids, certain town highways are designated snowmobile routes that may be used only for direct access to and from authorized snowmobile trails and are marked as such. These can only be ridden on when the trails are open.

*In the Town of Grand Rapids when the trails are open, it is permissible to use the most direct and reasonable route from your home to the trail system along town highways outside of the roadway. (See Grand Rapids Town Ordinance 11.)

*All town ordinances can be found on the Town of Grand Rapids website at: <http://www.townofgrandrapids.org/>

WINTER SURVIVAL ITEMS: Please consider stocking your vehicle with a few winter survival items in case you get stranded along the roadway during the upcoming winter season. Items such as blankets, spare gloves and hats, snack bars, reflective safety markers, hand warmers, etc. are all good items to have with you in case of an emergency. When traveling, make sure your cell phone is fully charged or you have a charging cord in the vehicle so you can make a call in case of an emergency. Also, remember to keep your gas tank over half full to avoid gas line freeze-up, especially during extremely cold weather.

REMINDERS FROM YOUR FIRE DEPARTMENT AND FIRST RESPONDERS

CHANGE YOUR BATTERIES: When you set your clocks back in November, did you remember to change the batteries in your smoke and carbon monoxide detectors? Also, if your detectors are more than ten years old, it is time to replace them with new ones. A properly functioning smoke detector increases your chances of surviving a fire in your home by 90%.

SNOW REMOVAL: When removing snow from your driveway and sidewalks, remember to pace yourself. Make sure you are well hydrated by drinking a glass of water prior to starting and again when you are done. Keep children away when using a snow blower. The snow blower may pick up a rock, a piece of chipped concrete or even a piece of ice, which can become a dangerous missile. Never refuel a snow blower while it is running or inside your garage. Let the engine cool for several minutes before refueling. Spilled fuel on a hot engine can ignite and cause a fire.

Also, please keep all entrance doors to your residence cleared out in the event of a medical call, as many times it is difficult to remove patients out of homes with blocked exits. Those also serve as a secondary egress in the event of a fire!

PREVENT ELECTRICAL FIRES: Never overload circuits or extensions cords. Do not place cords and wires under rugs, over nails or in high traffic areas.

ALTERNATE HEATERS: Portable heaters need their space; keep anything combustible at least three feet away. Never leave these units unattended.

FIREPLACES AND WOOD STOVES: Have your chimney or wood stove inspected and cleaned annually by a certified chimney specialist. Clear the area around the hearth of debris, decorations and flammable materials. Keep air inlets on wood stoves open, and never restrict air supply to fireplaces.

CHRISTMAS TREES: Christmas trees are a part of the traditional holiday celebration. If not handled properly, they can cause an extremely dangerous fire threat. A dried out tree can catch fire and burn a living room in just 30 seconds. When buying a live tree, look for one that is not shedding needles. If branches snap when bent, the tree is already too dry. Keep trees watered. A mixture of lemon-lime soda and water will keep a tree moist longer. Keep trees away from all heat sources including fireplaces, room heaters or wood stoves. When the tree becomes dry, discard it promptly. When purchasing an artificial tree, look for the label "Fire Resistant".

FREE SMOKE DETECTORS AVAILABLE

If you are in need of a smoke detector, please contact the Grand Rapids Fire Department at (715)424-1815 or visit the Town website at www.townofgrandrapids.org to print out a request form (under Community tab, Forms & Permits). The Fire Department will supply and install up to 3 smoke detectors in your residence at no cost. The detectors are supplied free of charge by the American Red Cross.

School Bus Safety Reminder

A vehicle that approaches a stopped school bus that is displaying flashing red warning lights must stop not less than 20 feet from the bus and remain stopped until the bus resumes motion or the operator extinguishes the flashing red warning lights. Failure to do so could result in a fine between \$30 and \$300. This law does not apply to vehicles driving in the opposite direction on a divided highway but does apply if no barrier is present on multi-lane street or highway.
